

ESP32 waveform generator experiment

Use your ESP32 as a cheap waveform generator and measure a variety of signals

ESP32 waveform generator

CHA

ESP32 waveform generator

- Setup the scope probes
- Triggering:
 - AUTO and manual
 - Edge and Runt
- Display: Sine, triangular, Sawtooth, square, decaying & runt waves.
- Measure:
 - CH1: frequency, max/min voltage, period, etc.
- Cursors: Manual and auto
